## EU Members

Following fresh advice, we are now able to deliver subscription publications (Journal and Contact!) to addresses in the EU. **For 2025, we can offer EU print and digital subscriptions.**

## Postage

This year, the Society has seen significant cost increases – particularly for overseas postage. **Please note that the Society passes on postage charges at cost.** Each member pays the same base price, wherever in the world they live. The difference in print membership between different parts of the world is entirely due to the increasingly high cost of overseas postage.

We want to remind our members that the cost of digital membership of the Society for 2025 is the same worldwide.
